New This Year - Second Grade Division

The Second Grade Division will be a travel program like the other divisions.

They will play full court, with full height baskets. This division is co-ed.

It is a good option for players that have played traditional K-2 programs, and are looking for a step up. First graders are welcome too.

Additional away games can/will be scheduled on Saturday, Sundays, and select other weekdays. Please note there are rare occasions when a team may have multiple games on the same date, especially during tournaments and playoffs.
