Dear Parents and Students,

Prayer for Peace

-St. Francis of Assisi

*Lord, make me an instrument of your peace
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
Where there is sadness, joy.*

*O Divine Master,
Grant that I may not so much seek
To be consoled, as to console;
To be understood, as to understand;
To be loved, as to love;
For it is in giving that we receive;
It is in pardoning that we are pardoned;
And it is in dying that we are born to eternal life.*

Introduction

The purpose of the school Handbook is to outline the general policies and operating procedures of Mater Dolorosa School. These policies are intended to enrich the environment of Mater Dolorosa School by providing an atmosphere conducive to learning while ensuring the health and safety of all students. Students and parents are responsible for reviewing and abiding by the policies set forth. While it is recognized that no handbook can cover every eventuality, we have provided an overview of policies of Mater Dolorosa School. The administration reserves the right to determine policies should the need arise.

Statement of Non-Discrimination

Mater Dolorosa School admits students of any race, color, national origin, faith, or ethnic background to all the rights, privileges, programs, and activities generally accorded or made available to students in this school. It does not discriminate on the basis of race, color, national origin, faith, or ethnic background in the administration of educational policies and financial programs administered by this school.

Statement of Belief

We believe that Mater Dolorosa School, with the involvement and support of parents and guardians, teaches each student to live the values of Jesus and to respect the teachings and traditions of the Catholic Church.

We believe that Mater Dolorosa is a place where students from a variety of cultural and ethnic backgrounds receive a quality education in an atmosphere conducive to learning and moral development.

We believe that Mater Dolorosa provides an environment in which our students develop character and deepen their sense of respect and responsibility.

We believe that Mater Dolorosa provides a nurturing and caring environment in which each student is encouraged to develop and share his or her talents and abilities.

We believe that the teachers and staff of Mater Dolorosa are Christian, caring, and committed men and women who are faithful to the ideals of Jesus, enthusiastic about young people, and eager to help them to achieve their potential.

Agreement

By registering at Mater Dolorosa School, parents and students contract to abide by the guidelines, rules, regulations, and policies of this school.

Parents As Partners

As partners in the educational process at Mater Dolorosa School, we ask parents/guardians:

To set rules, times, and limits so that your child:

- Gets to bed early on school nights; arrives at school on time and is picked up on time at the end of the day
- Is dressed according to the school dress code
- Completes assignments on time
- Has lunch money or nutritional bag lunch every day, when needed.

To actively participate in school activities such as Parent-Teacher Conferences;

To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student;

To notify the school with a written note when the student has been absent or tardy;

To notify the school office of any changes of address or important phone numbers;

To meet all financial obligations to the school;

To inform the school of any special situations regarding the student's well-being, safety, and health;

To complete and return to school any requested information promptly;

To read school notes and newsletters and to show interest in the student's total education;

To support the religious and educational goals of the school;

To attend Mass and teach the Catholic faith by word and example;

To support and cooperate with the discipline policy of the school;

To treat teachers **and administrators** with respect and courtesy in discussing student concerns.

Parent's Role in Education

We, at Mater Dolorosa School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of Mater Dolorosa School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life. Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at Mater Dolorosa School, we trust you will be loyal to this commitment. During these formative years (Pre-K to 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships. Parents should contact the teacher involved with an issue after their investigation of the incident. Then if needed, the principal will become involved.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming. Then if needed, the principal will become involved.

I. CATHOLIC FAITH FORMATION

As a Catholic school, the nurturing and guidance of our students in the tenets of our Catholic faith is the very reason for our existence. Parents, faculty, and staff working together are responsible for taking an active part in the faith journey of the students.

Prayer is an integral part of the school day, shared by all. In addition, students participate in liturgies, the Stations of the Cross, the Rosary, and other prayer services during the year.

A. Sacraments

Students in Grade 2 celebrate First Reconciliation and receive their First Holy Communion.

In order for a child to receive these sacraments, s/he must be baptized and be ready emotionally and spiritually. If the teachers or Principal deem that a child is not ready, the child will receive another year of preparation before receiving the sacraments.

In preparation for the sacraments, it is expected that parents will reinforce at home what is taught in school. It is the responsibility of the parents to set a good example by taking the initiative regarding family prayer time, Sunday worship, and Reconciliation.

If a student transfers into our school, s/he must have attended another Catholic school or participated in a religious education program for at least a year before receiving the sacraments.

B. Spiritual Life

All students have the opportunity to attend Mass regularly. The entire student body attends Mass once a month and on Holy Days. Each class has the opportunity to plan these liturgies with their teachers and is also given the opportunity to participate as lectors, servers, and gift-bearers. The presence of the students and faculty at Mass is an essential part of the spiritual life of the school. Students are given the opportunity to celebrate the Sacrament of Reconciliation during the school year. In addition the 8th grade students attend a retreat during the school year.

C. Non-Catholic Students

All children, regardless of their faith, are welcome as members of the Mater Dolorosa School family. Non-Catholic students, however, are required to participate in religion classes. They are also expected to attend Liturgies and other Para-liturgical prayer services.

Non-Catholic students may participate in the celebration, but not receive the Sacraments of Reconciliation and Eucharist. However, non-Catholic students may receive a blessing from the priest.

II. ACADEMIC POLICIES

A. Accreditation

Mater Dolorosa School is accredited through the New England Association of Schools and Colleges.

B. Admissions

New students entering Kindergarten must be five (5) years old on or before September 1st of the school year in which they are enrolling. Age must be verified by a birth certificate. A physical examination is required when a student enters school for the first time. Immunization records must be completed, including evidence of a state mandated lead test. A baptismal certificate must also be presented for Catholic students.

New students who are transferring from other schools should arrange to provide copies of their academic records, as well as their latest report cards for review. All new students will be given a trial period in which to prove himself/herself both socially and academically. If during this trial period there are any problems, a student may be asked to withdraw his/her attendance at Mater Dolorosa School.

If a student is transferring from another Catholic school all financial debts must be paid before admission to Mater Dolorosa School.

A non-refundable fee of \$50.00 is required of each family for registration.

C. Awards

Students in grades Kindergarten through 8th grade receive special recognition for academics and good character throughout the school year. Students will receive honor roll awards in grades 4-8 based on the following criteria:

High Honors –

A's in all major subjects

No grade below an A-

No mark below a "2" in attitude

Satisfactory grades in Music, Art, Gym, Computer and Conduct

Honors –

Five (5) A's and two (2) B's in all major subjects

No grade below a B-

No mark below a "3" in attitude

Satisfactory grades in Music, Art, Gym, Computer, and Conduct

Students in 8th grade receive special recognition for academic excellence (National Junior Honor Society). Scholarships are also awarded at the Graduation Ceremony.

D. Conduct

In accordance with the stated philosophy of the school which emphasizes deep respect for the human dignity and uniqueness of every individual, each student will be considerate of the rights of others in all interactions. All students are expected to cooperate with the spirit and policies of the school which are designed to foster mature development and personal responsibility. This requires courtesy in all personal relationships, promptness in fulfilling obligations, concern for the environment, and many other factors which the students' sense of appropriateness will indicate to them.

The Principal reserves the right to determine the appropriateness of an action if any doubt arises.

Items such as, but not limited to, questionable books and pictures, knives, guns, weapons of any kinds, matches, lighters, cigarettes, radios, toys, trading cards, pagers, laser lights, palm pilots, CDs, iPods, or other mp3 players, cameras, or anything that will detract from a learning situation are not allowed at school at any time. Cell phones should be in the off position and kept in a student's backpack at all times during the school day. Cell phones will be confiscated from a student if it is turned on or used during the school day. Parent/guardians will be required to come to school to retrieve the cell phone.

The school Administration will determine the appropriate disciplinary measure to be taken concerning the presence of these items in school. Items taken away from students will be returned to the parent/guardians.

E. Conferences

As a team of parent, teacher, and student we can greatly enhance the student's experience. Parent-teacher conferences are held at the end of the first and third quarter marking periods and all parents are strongly encouraged to attend their scheduled appointments. Parents are given specific appointments with the teachers of their children, regardless of their academic progress. However, it is not necessary to wait for the regular conference time if a parent has a special concern. Parent-teacher conferences are encouraged and appointments can be made at any time during the school year. Impromptu conferences are strongly discouraged as teachers cannot always provide their full attention to your concern.

F. Curriculum

We follow the Diocesan core curriculum and the Common Core Standards as mandated by the state. In addition to the regular academic requirements, the following special courses are included:

1 Child Lures Program

Age appropriate lessons for the Child Lures Program are presented to our students in Kindergarten through 8th grade. This program improves self-reliance, raises self-esteem, and helps students master personal safety skills—all while assuring them that most adults are kind, safe, and committed to their well-being.

2. Computers

All students in grades Kindergarten through 8th grade attend computer class once per week. The goal of the computer program is to allow students to broaden their awareness of computer technology and its potential as a learning resource. All computers and tablets have monitored internet capability. Students and parents are required to sign a Computer and Internet Use Agreement.

3. Family Life

Catholic Family Life Education is a required component of the curriculum for all elementary schools. This program provides a setting in which Catholic faith, practices, and values regarding human sexuality are taught to students. The Principal assumes personal supervision of the Family Life Program and parents are kept informed of the program each year.

4. Religion Classes

All students are required to participate in Religion classes. Knowledge of the Catholic faith is fundamental for sacramental preparation and for participation in the life of the Church. Parents' good example is essential to a child's growing in and living the Faith. Mater Dolorosa School is first and foremost Catholic, where the goal of every member of the administration, faculty, and staff is "to teach as Jesus taught." We impress upon our children the importance of the Holy Sacrifice of the Mass and the Sacraments—especially Reconciliation and Holy Communion—and reinforce this through monthly Mass and Reconciliation

5. Physical Education

Physical Education is an important part of the educational experience. The development and maintenance of a healthy body is essential for physical well-being and good mental health. We believe that attitude development is an important part of education and we attempt to create an atmosphere for the development of leadership, sportsmanship, and congeniality through our

physical education program. Physical education classes are provided once a week for students in grades Preschool through 8th grade.

6. Steps to Respect/Second Step

All students in Kindergarten through 8th grade will participate in Steps to Respect/Second Step curriculum which promotes supportive and respectful relationships among peers.

G. Discipline Code

Students are expected to conduct themselves with courtesy and appropriate behavior at all times during the school day including field trips, picnics, bus transportation, and at all school functions. At the beginning of each school year, students receive information regarding the discipline code for individual classes. A general policy is as follows:

1. BULLYING

Bullying, in any form, including cyber-bullying through the use of technology or any electronic means, will not be tolerated. Bullying can be defined as aggression in which one child or a group of children engages in unprovoked and repeated physical, verbal, social or emotional harm against another. Bullying differs from other forms of conflict in that bullies seek to gain power over their victims. Bullying is a continuum of behaviors that ranges from name calling to assault. There are two main types of bullying behavior. Physical bullying includes such tactics as tripping, kicking, stealing and shoving. Emotional/social bullying includes gossiping, name-calling, publicly humiliating the victim, or convincing others to reject or isolate the victim. Engagement in online blogs, such as but not limited to, Instagram®, My Space®, Facebook® etc. may result in disciplinary actions if the content of the student's blog includes defamatory or threatening comments regarding the school, the faculty, other students or the parish. **Students engaging in bullying behavior via texting and email are also subject to disciplinary action.**

Students are strongly encouraged to report any and all instances of bullying to a teacher, parent, and/or administrator. Instances of bullying will be addressed and may result in in-school or home suspension, and in extreme cases, expulsion. Age appropriate instruction on bullying prevention in each grade is incorporated into the curriculum through the use of a variety of programs.

Mater Dolorosa School makes every effort to adhere to the guidelines and directives put forth in the Massachusetts Bullying Law.

2. Demerits

Demerits will be issued to students for violations against the discipline code and rules, dress code, or any of the following:

- Defiance, dishonesty, inappropriate language, inflammatory or racial remarks, or any misbehavior that, in the opinion of the Administration, is detrimental to the reputation of the school will be liable for disciplinary action
- Disrespect toward teachers, staff, students, or property
- Disruptive behavior, continual talking, getting out of seat, or throwing things
- Non-compliance of school uniform
- Chewing gum
- Any infractions against classroom rules or handbook regulations

3. Detention

Detention may be issued for students who receive three (3) Demerits for a breach of classroom and/or school rules. Parents are provided with a Detention Form with written notification of the detention. The day, date, and time of the detention are at the discretion of the Principal who monitors the detention.

4. Loss of Privileges

Four DETENTIONS (12 DEMERIT SLIPS) WILL RESULT IN THE LOSS OF THE CLASS FIELD TRIP. The student must remain at home under the supervision of the parents/guardians.

5. Suspension

For the most serious infractions of school rules and policy, the Principal gives suspensions from school. Suspensions are given only as a last resort. It signifies that the student's behavior has been so disruptive that the only reasonable way to deal with the situation is to remove the child from the school environment. Parents are required to meet with the Principal before reinstatement can take place.

Reinstatement will not be granted until the Principal and the student's teacher are satisfied that the reason for misconduct has been effectively eliminated.

6. Expulsion

Expulsion is an extremely serious matter. Students who pose a threat to themselves or to others may be expelled from Mater Dolorosa School. Other extreme circumstances may also be considered for expulsion and is determined at the discretion of the Administration.

The Discipline Policy affects all students in all classes, as well as at lunch, during special events, on field trips, on the bus, and at all school functions. All Demerit forms must be signed by a

parent/guardian and returned to the teacher or school office. If a student's actions make suspension or expulsion a consideration, the school will act in accordance with the Diocesan Handbook of School Policies. We cannot sacrifice the education of the whole class because of the disruptive behavior of one student.

H. Educational Fair

Each year our students in grades 5 through 8 participate in the school Educational Fair. This activity is one of the highlights of our academic year. Students in Preschool through Grade 4 will highlight a portfolio of work produced throughout the year. Parents are encouraged to support this activity and to encourage their children in the selected projects.

I. Field Trips

Classroom teachers schedule field trips within our city and to various points of interest during the school year. These trips are designed to supplement different aspects of the classroom curriculum and to introduce students to the resources of the community. Therefore, student participation is a requirement and not an option. Field trip privileges may be revoked should student discipline or academic records warrant their exclusion.

Parents will receive notices of field trips well in advance of the scheduled trip date and will be asked to sign field trip permission forms prior to the day of the trip. Phone calls, emails, and faxes cannot be accepted as forms of permission to attend a field trip. Students must also ride the bus to and from the field trip with their class. At times students will be expected to pay for entrance fees and provide their own lunch. The PTO currently provides the cost for some of the transportation costs.

Reasonable care will be taken by the supervisory personnel to see to the safety of the students. The school is not liable for injuries. Parents are encouraged to volunteer to chaperone trips. Parents who chaperone a field trip may not bring preschool or school-age siblings on the field trip. All parent volunteers are subject to a CORI (Criminal Offender Record Information) check which must be completed prior to attendance on a field trip. In addition, parents must sign a Code of Conduct and view the Diocesan Called to Protect Video. Cell phones should be used for emergency situations only or as otherwise directed by the teacher and/or administration.

J. Graduation

Kindergarten graduation takes place in June.

The date for the 8th Grade graduation follows the guidelines set by the Diocesan School Office.

Students in 8th grade failing two major subjects will be issued a certificate of attendance at graduation. Students failing more than two major subjects will not be considered graduates of Mater Dolorosa School and will not be allowed to participate in graduation exercises. Participation in the

Commencement exercises is a privilege for 8th grade students who have met the academic standards of the school.

All tuition and fees must be paid in full or the child will not participate in the end of the year field trips and/or graduation exercises for both Kindergarten and 8th grade.

K. Homework

Homework provides parental insight into current classroom topics and is an extension of the learning that takes place in school. At the beginning of each school year, students receive information regarding the homework policies for individual classes. A general policy is as follows:

1. Primary Students in grades Kindergarten – 2nd grade receive homework to provide practice and reinforcement of skills taught in class. All homework assignments are age and grade level appropriate.

2. Intermediate

Students in grades 3, 4, and 5 are expected to complete homework assignments on the designated day. Missing, late, or incomplete assignments will result in a homework notice. Homework notices must be signed by a parent and returned the following day along with the completed homework. Time will be allowed to make up assignments due to excused absences. Three homework notices will result in a demerit. Since each student has different capabilities and interests, it would be difficult to denote the specific amount of time to be spent on an assignment. If a problem arises, the teacher should be contacted.

3. Junior High

Students in grades 6, 7, and 8 are expected to complete homework assignments on the designated day. Missing, late, or incomplete assignments will result in a homework notice. Homework notices must be signed by a parent and returned the following day along with the completed homework. Time will be allowed to make up assignments due to excused absences. Three homework notices will result in a demerit.

4. Homework due to Vacations/Planned Absences

The school calendar provides for extended weekends and week-long vacations throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility. Teachers may provide missed assignments when a student returns and given one day for each day missed to make up the assignments. Returning the missed assignments in a timely manner is the responsibility of the student and work not

completed/returned will result in missing grades which could lower a student's overall grade. No assignments will be given in anticipation of the vacation. There will be no exceptions to this policy.

5. Homework Policy Due to Illness

When a student is absent for three or more days, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 1:30PM – 3:00 PM.

For short absences, students should make arrangements with classmates regarding assignments. Students may also, receive missed assignments from their teacher when they return to school. Students will be allowed two days for each day of absence due to illness. For example, a student who was absent three days should be given three school days to complete the missed work. Tests may be made-up at the discretion of the teacher.

L. Junior Achievement

Students in the 8th grade participate in the Junior Achievement Program—Project Business. A volunteer consultant from a local business instructs students once a week for ten weeks on topics ranging from economics to career choices.

M. Library/Media Center

The library is open on a regularly scheduled basis and is supervised by the librarian. Library classes are held for all grades for the purpose of library instruction and the enjoyment of materials and books. Quiet and order must prevail in the library at all times.

Students are allowed to use the library with permission of their classroom teacher. Each student may borrow one book for a period of up to one week. There is no fine for overdue books, but the student who borrowed them must pay for lost or damaged books.

N. Pre-school

In carrying on our mission of providing quality Catholic education within a nurturing environment, Mater Dolorosa offers a Pre-school program for both 3 & 4 year-olds. Our goal is to provide our preschoolers with positive opportunities for growth. Students entering the Pre-school 4 year-old Program must be four years of age by September 1st. Students may enter the 3 year-old Pre-school Program once they turn the age of three at any time during the school year, but will be required to repeat the 3 year-old program the following school year if they do not meet the age requirement for the 4 year-old program. All students must be confidently potty-trained.

The Pre-school hours are 7:30 a.m. – 1:55 p.m.

O. Progress Reports

Progress reports for Grades 1 – 8 are issued during the months of October, December, March, and May. The purpose of the report is to make both parents and students aware of a student's progress and to alert parents that a student may not be working up to his/her potential. The progress reports are to be signed by a parent and returned to the teacher on the next school day. If there are any concerns, parents are asked to contact the teacher.

P. Promotions and Retentions

Promotions and retentions are based on an evaluation of academic performance. A Mater Dolorosa student is required to repeat the grade if s/he has failed three or more major subjects for the year. Major subjects include: Reading, Math, Science, Social Studies, and Language Arts. The primary reasons for considering retention include a student's:

- Indifference or lack of effort
- Inability to fulfill that grades academic requirements
- Lack of maturity appropriate to the age level
- Frequent or long absences

Q. Recess

Students in Pre-school through third grade have a morning recess each day. During this time, the students are allowed to have a snack brought from home.

All students have outdoor recess following lunch. No student is allowed to leave the school grounds. Parents are asked to dress their children appropriately for weather changes.

Only students with medical excuses or teacher/administration requests will be allowed to remain in the building during scheduled outside recess. Students will be supervised in the office during this recess time.

R. Report Cards

Students who are denied the privilege three (3) times or who have seriously misbehaved to the point of endangering other riders may be denied the privilege to ride the bus for the remainder of the school year.

C. Cafeteria

All food, including snacks, must be eaten in the cafeteria. Food is never to be thrown around or carried throughout the school. Students must leave the table and floor clean. The parents' cooperation at home in teaching proper table manners helps in cultivating good habits in school. Glass containers are not allowed. Food is a gift and should never be wasted.

Technology Concerns

- **Social Media:** Engagement in online social media and video posting sites such as, but not limited to, Facebook®, Twitter®, Instagram®, YouTube®, and Vine® etc., may result in suspension/expulsion or other disciplinary actions if the content of the student's blog or status includes defamatory comments regarding the school, faculty, administration, or other students or the parish.

Students whose avatars depict other students, teachers, administrators, or parish staff in a defamatory light face detention, suspension, or expulsion.

O. Unauthorized Articles

Common sense and consideration are the best guides in determining whether or not to bring personal possessions to school. In general, students should not bring toys or unusual items to school unless they are intended for a specific purpose in the classroom. Toys, videos, CD's, collectible cards of any kind, electronic games, virtual pets, beepers, laser flashlights, or other articles deemed inappropriate are not allowed in school. The sale or exchange of items with other students is not allowed. Any infraction will result in disciplinary action.

P. Vandalism

Our school and school equipment are private property. Willfully damaging or destroying this property is cause for immediate suspension and possible expulsion. The school requires that the damages be paid for before a student is allowed to return to class. If a student accidentally causes damage, s/he should report it to his/her teacher immediately so that the damage is not viewed as vandalism.

Q. Zero Tolerance Policy

V. FINANCIAL INFORMATION

A. Financial Aid

An application for Diocesan Financial Aid is available on-line at *www.Factstuitionaid.com*. If aid is denied, parents are responsible for the full tuition amount. Out of Parish families or those registered with another Diocesan parish must present a signed voucher from their Pastor notifying Mater Dolorosa School that the parish is willing to pay part of their tuition cost. This voucher must be sent to school in order for you to receive the parishioner rate. Families not affiliated with any Diocesan parish will pay the Non-Parishioner rate.

B. New Students

New students registering with Mater Dolorosa School are required to submit a registration packet along with a \$50.00 registration fee. This fee is also required for current Mater Dolorosa families enrolling a new preschool or Kindergarten student.

C. Tuition

Information regarding tuition is explained at the time of registration. At this time, it is agreed and understood that Mater Dolorosa School has an obligation and commitment to provide its students with the best possible education. It is also agreed and understood that all parents/guardians have an obligation and commitment to make a sincere effort to be prompt and faithful in payment of their full tuition bill.

A nonrefundable, re-enrollment deposit of \$50.00 is due in March for each student establishing enrollment for the next school year. This deposit will be credited towards the tuition for the next school year.

Only persons who are registered, active parishioners of Our Lady of the Cross and have used their parish offering envelopes for at least a year, are entitled to pay the parishioner tuition rate. Those who have not used church envelopes for a year and/or have been an active parishioner must pay the non-parishioner rate for that year.

Mater Dolorosa School offers three tuition payment options: payment in full by August 15th, twelve-monthly payments through FACTS Tuition Management beginning in July-June, and ten-monthly payments through FACTS Tuition Management beginning in August –May. Payments made through FACTS are withdrawn on the 5th or 20th of each month. Families may also pay partial tuition in the office by August 15th and pay the remaining balance on a monthly basis through FACTS Tuition. Payments returned to FACTS for insufficient funds, two consecutive times, will be due directly to the school office. Payments on a monthly basis in the school office will not be accepted. Any tuition payment due to the office because of insufficient funds or inactive accounts

by FACTS will be assessed a \$50.00 fee for each occurrence when a payment has to be made directly to the school office.

No student may begin the school year unless the above payment arrangements have been made or all monies (tuition and fees) owed for the previous year have been paid.

A charge of \$25.00 will be required for any check returned by the bank for insufficient funds that was paid to the school office for any purpose.

No report cards or diplomas will be released until all financial obligations to Mater Dolorosa School have been fulfilled. In addition, any family of an 8th grade student that does not meet their obligation could forfeit their child's opportunity for scholarships.

The cost of educating a child is not completely covered by tuition. The deficit is made up through parish subsidy and fundraising activities. It is vital that every family be involved and support these programs to the best of their ability.

Families are also required to volunteer ten (10) hours of service throughout the school year. Any family member may perform the volunteering duties and submit a Volunteer Form signed by a designated chairperson to the school office for credit. While Mater Dolorosa School would prefer to have a family's time commitment, it is understood that this may not be feasible for all families. If a family is unable to meet the volunteer commitment by the end of the school year they will be assessed a \$20.00 per hour fee for each hour of service resulting in a total of \$200.00.

At Mater Dolorosa School, we work in partnership with parents to enable each child to develop as an independent learner. Parents should allow their child(ren) to enter the building/school yard on their own in the morning. Parents should avoid bringing their child into the classroom each morning with the exception of Preschool students. Various classes invite parent involvement or visitation on particular occasions.

The school doors open for students at 7:00am for those utilizing the Before School Program. Any student that arrives prior to 7:30 will be sent to the Before School Program and families will be charged for the service according to the billing schedule. W. Telephone

The office telephone is a business phone and is to be used by students only in an emergency.

X. Traffic Regulations

The administration has adopted several parking traffic policies due to the limited parking space around the school. The administration seeks the cooperation of all parents and students in observing this access and parking policies. These policies are in place for the safety and protection of our students. As children are dropped off in the morning, parents are asked to do this as quickly as possible so as not to hold up traffic. Please have your child exit the vehicle on the passenger side when dropping off in the cul-de-sac. Parents who drop off a child and need to come into the school are asked to park in front of the parish office or in the church parking lot. Students should be dropped off in the cul-de-sac only.

Students who are picked-up at the end of the day are brought to the church parking lot. The designated area for picking up students is in the church parking lot only. Parking on St. Kolbe Drive is prohibited and causes a serious safety risk to student and teachers. We appreciate your cooperation.

Y. Valuables

The school administrators and staff cannot be responsible for valuables which students bring to school. It is recommended that students leave all valuables at home. If special circumstances make it necessary for a student to bring substantial cash or other valuable possessions to school, these items should be registered and left at the main office.

Z. Volunteers

Mater Dolorosa School considers its volunteers a very special resource. Parents, grandparents, and friends are encouraged to help in classrooms, cafeteria, library, and school functions. Any family member may perform the volunteering duties and submit a Volunteer Form signed by a designated chairperson to the school office for credit. A. Illness or Injury

In case of illness or serious injury parents will be contacted. The school nurse or a member of the staff will care for the student temporarily. School personnel will render first aid treatment only. Pink Eye	24 hours after start of antibiotic drops or ointment
Scarlet Fever	For 7 days without drug treatment or 24 hours after drug treatment has begun with treatment continuing at least 10 days

B. Immunizations and Vaccinations

State law requires that every child who is admitted to school must have evidence of successful vaccinations for diphtheria, tetanus, whooping cough, and polio. Also required are a rubella/rubeola vaccination and a tuberculin skin test. A student entering Kindergarten is required to have a lead test. Students entering 7th grade must have a second MMR.

C. Insurance

The Diocese requires that all students have health insurance. School insurance will be offered at the beginning of each year. The cost is small compared to the potential cost of medical care and parents are encouraged to take advantage of this service.

D. Medications

Medicine is treatment, and as such, is not part of the school health services. In most cases, pupils who are on prolonged medication can have the dosage adjusted so the time for taking their prescription will come while they are out of school. Students are never to have medication in their possession during the school day. Students who have a prescription for medications that must be taken during the school day must have an authorization form filled out by their physician. The medication must then be brought to school by the parent. Medications may only be dispensed by the school nurse when she is available, with written authorization from a physician. Medications cannot be dispensed by any other school personnel. If the school nurse is not present, the parent or an authorized adult other than school personnel may come to school to administer medications to the student.

If a child is to receive any medication during the school day the following information must be submitted in writing, with the parent's signature, for each medication:

- Name of child
- Name of physician and phone number
- Name and strength of medication
- Schedule for administration

In the event that a child needs to use an inhaler or cough drops, a dated, written note signed by the parent should be given to the teacher. Inhalers must be brought to the office. Inhaler and Epi-Pens are kept in a locked cabinet in the nurse's office.

VIII. ORGANIZATIONS

A. Mater Dolorosa School Board

The School Board “has as its primary concerns the ministry of Catholic school education: the spiritual, intellectual, physical, emotional, and social development of the students.” The board, operating under the guidance of the School Board of the Diocese of Springfield and in conformity with the policies of the Diocesan Schools Office, concerns itself with the policy matters pertaining to the general excellence of Catholic education at Mater Dolorosa School.

The School Board is made up of members who are appointed for three-year terms. Anyone interested in serving may submit their name to a member of the Board.

B. Parent Teacher Organization

The Mater Dolorosa School P.T.O. is highly involved in their ongoing efforts to strengthen the educational environment of Mater Dolorosa School. All parents are urged to become members and to actively participate. Meetings are scheduled on the first Wednesday of every month except for December or June. Notices are sent in advance to remind parents of the meeting.

Each year the P.T.O. sponsors two major fundraisers and with the help of all parents, these fundraisers can be very successful. They allow the P.T.O. to fund many important activities at the school.

IX. SAFETY

A. Bomb Threats

A bomb threat is an extremely rare occurrence. Nevertheless, the school is prepared for this type of emergency. Immediate evacuation of the building and notification of authorities and parents are the standard procedure.

B. Emergency Drills

In keeping with the policies of the Holyoke Fire Department, fire officials will conduct fire drills in the fall and spring of the school year. Additional fire drills will be conducted at appropriate intervals throughout the school year by the administration. All students must leave the building quickly and quietly through the designated exits. Students should walk, not run.

To help prepare the students for a possible dangerous intrusion, lock-down drills are conducted periodically as well. In addition to our fire drills and lock down drills, the bus company conducts bus evacuation drills twice a year.

C. Schoolyard Supervision

School staff will supervise the schoolyard one half hour prior to the beginning of school and during recess.

D. Search and Seizure

The administration reserves the right to search students' desks, book bags, storage areas, cell phones, electronic devices or clothing when reasonable concern exists that there may be items which could potentially threaten the safety or well-being of other students or which are deemed inappropriate and against school policy. Any such items will be confiscated.

E. Visitors

Visitors are always welcome at Mater Dolorosa School. All school doors are locked while school is in session. Therefore, ringing the buzzer for admittance is required. All parents and other visitors are required to report to the school office to sign-in and upon doing so will receive a name tag that should be worn at all times while in the building. No one is allowed anywhere in the building without authorization from the main office.

X. SCHEDULE AND ATTENDANCE

A. Absenteeism

A parent/guardian must call the school by 8:30 a.m. the day of the child's absence. A dated note signed by a parent is required when the student returns. The school office will contact parents regarding unreported absences.

The following circumstances are the only justifiable excuses for school absence:

- Personal illness
- Family illness
- Death in the family
- Legal appointments
- Other serious reasons acceptable at the discretion of the Principal

The student is required to give advance notice, in writing, to the school to be excused for any other type of absence. Mater Dolorosa School is required to consult with the Diocesan Office if a student is absent 15 days and/or 18 days tardy.

B. Attendance

Regular attendance is essential to a student's success in school. Most subjects are taught in sequence, requiring an understanding of each concept in the order of its presentation. Persistent absenteeism creates an academic hardship for a student and is regarded as a very serious problem. Student who are absent nine (9) days in one semester or eighteen (18) days during the school year risk promotion to the next grade and a report is filed with the Diocesan Superintendent's Office. In extreme situations the involvement of the Diocesan School Officials and Department of Children and Families may become necessary. Classroom teachers will not provide schoolwork in advance for students taking extended vacations during the school year.

C. Early Dismissal

In general, students are not permitted to leave the building during school hours. Requests by parents for an early dismissal may be granted for sufficient reason in extraordinary cases. At such times, a parent, or person authorized by a parent, must sign the student out in the front office.

Early dismissal from school requires a written request from the parent/guardian specifying the time and reason for dismissal. The note must be brought to the school office at the beginning of the day.

Mater Dolorosa reserves the right to refuse to release a student to a parent/guardian whose condition could jeopardize the safety of the child. Students may be excused from school or class when illness or unusual circumstances arise during the day. Parents will be notified and must come to the office to sign out the child.

D. Tardiness

Children are expected to be in their designated classrooms by the starting time of 7:50 a.m. and ready to begin school. This is an important part of the day, when directions are given and a tone is set for the day. Parents have a responsibility to see that their child is in school on time.

Any child who arrives after the bell must report to the office for a late slip and will be marked tardy. Students who ride the bus to school will be excused if the bus is late. When a child has been tardy three (3) times within 30 days, the school will contact the parent/guardian to discuss the situation and, if lateness continues, it will be handled as a disciplinary matter. Your child's learning time is lost when s/he is repeatedly tardy. When a child has been tardy ten (10) times a meeting between the parent/guardian and the Principal will be requested.

E. Truancy

Students who are absent from school without authorization from parents or the school will be considered truant. After a conference with the parents/guardian, the offender will be referred to the Principal for disciplinary action.

F. Withdrawals

Notification for withdrawal should be given by the parents of any student who is withdrawing before the end of the academic year. Teachers will summarize the student's progress and prepare the student's file for the Administration. When all obligations to the school have been met, the student's records will be forwarded to the next school of enrollment. Obligations include tuition, lunch account, Before/After Care, and returning all books in the condition in which they received them.

XI. TRANSPORTATION

A. Bicycles and Skateboards

Parental permission in a dated, written note is required informing the school that their child will be riding a bicycle to and from school on certain days. The school is not responsible for stolen bicycles. Students will leave with the car pickup line and must wait until all cars have left the parking lot. In accordance with Massachusetts State Law, helmets must be worn. Skateboards are not allowed.

B. Bus Route and Operating

Bus routes and stops are established by the Holyoke Public School Department and are published through the area newspapers near the beginning of the school year. Parents, who wish to make requests for changes in routes or stops, should contact the principal or school secretary who will then request the change from the bus company. Students and parents are encouraged to notify the school immediately of any safety hazards, which they have observed during bus operations. Students who are not eligible for bus transportation cannot take the bus for any reason. Students with bus privileges who wish to take a different bus or be dropped at a different bus stop must have a note signed by both a parent and the principal in order for the change to be allowed. Official changes to bus services must be done through the Bus Company, not through the school. The Bus Company conducts bus evacuation drills twice a year.

C. Changes in Regular Means of Transportation

In the event that a child is to return home from school by car instead of bus or s/he is to be picked up by a friend or relative, a dated note signed by a parent must be submitted to the school the morning of the day on which this is to occur. Children who wish to go from school to another student's home must bring a note from their parent giving them permission to do so. This note must be brought to the school office the morning of the child's planned visit and signed by the principal. Please remind your child that they will not be allowed to call home at the last minute to make after-school arrangements to visit a friend.

Mater Dolorosa School reserves the right to amend this Handbook at any time. Notice of amendments will be sent to parents via the students and/or e-mail communication. Amendments to the Parent/Student Handbook can also be found on the school's website. www.materdolorosaschool.org
