

WE'RE COLLECTING GENTLY-WORN WINTER COATS AND SNOWSUITS

The Mater Dolorosa Preschool Team is working to make sure the children of the Holyoke Homework House stay warm this winter. We are asking that all donations are laundered and in good condition. We will have collection boxes located at the Mater Dolorosa Social Center on St. Kolbe Drive and also at Our Lady of the Cross Parish. We will be collecting throughout the month of November and distributing them at the onset of the winter season. We appreciate your generosity and support.

Thank you,

The Preschool Team
